EXAMINER'S AMENDMENT

1. This is a fourth office action in response to applicant's amendment filed, 02 May 2005, of application filed, with the above serial number, on 29 March 2000 in which claims 1, 13, and 17 have been amended and claim 38 has been cancelled. Claims 1-26 are therefore pending in the application.
2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Maurice Pirio on 20 July 2005.

The application has been amended as follows:

In claim 1 line 19, "altering at the client computer" to be amended to "altering at the first client computer".

3. The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or suggest individually or in combination the claimed limitations, including altering a presentation timeline of a media stream on a first client computer upon being globally unsynchronized when the media in the buffer is greater than a first amount or less than a second amount, independent of the media stream to the second client computer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
